Review

This is the eleventh book in the Magic Ballerina series - and the fifth book about Rosa's magical adventures in Enchantia.

I'm getting ready for my first audition for a show very soon so I really enjoyed reading about Rosa's audition for the ballet school.Â But I'm going to sing, not dance!Â Still, it has given me an idea of what it might be like.Â I'm very excited but also nervous - which is just how Rosa was feeling.

I liked the way Rosa was able to escape from the castle in Enchantia and with the help of her friend Tangleweb (a spider) she was able to save her friends.

I learned from this story that you always need to be careful who you talk to because some strangers turn out to be not nice people.Â Just like Serendipity was really the Wicked Fairy.

The Spinning Spider Walk dance at the end of the book is lots of fun!
